### Donors

The Woodstock Community has a strong history of coming together and supporting one another in times of crisis. Woodstock Area Relief Fund: COVID-19 (WARF) is funded by private contributions, grants, and other non-profits. Although it is natural to feel helpless in the face of this unprecedented in our lifetime crisis, many area residents have found donating to this effort an immediate way to assist their neighbors and make significant positive impact on our community.

Donations may be made as follows:

1. Using the website.

2. Check payable to:

Woodstock Area Relief Fund (WARF)  
PO Box 802, Woodstock, VT 05091

### Applicants

A group of impassioned community members created the Woodstock Area Relief Fund: COVID-19 (WARF) to ensure that none of our neighbors lack basic household necessities as a result of COVID-19. Similar efforts assisted more than 225 individuals in the aftermath of Tropical Storm Irene. This fund is available to residents of the Windsor Central Supervisor Union (Barnard, Bridgewater, Killington, Plymouth, Pomfret, Reading, Woodstock).

If you are in immediate need of financial assistance to meet your basic household needs, please reach out to us through the applicant page on the WARF website.

If you have other questions please submit them to [woodstockcovid19@gmail.com](mailto:woodstockcovid19@gmail.com). If you prefer to speak to someone about this and other available resources, please phone Sally Miller at 802.281.9902.

WARF is committed to protecting the confidentiality of participants.
