Tuesday, August 11 ,2020
Town Hall
10:00 am to 7:00 pm**

Voting begins at 10:00 am at the Town Hall, on Tuesday, August 11. All voters will check in outside the front door before you can enter the Town Offices to vote. We will be permitting two voters in at a time. There may be a brief delay when checking in, so you may need to stand in line for a bit.

Please bring a pen or a pencil with you to mark your ballot. We will have hand sanitizers available, so please use them if you like.

After entering the building, please follow the markings on the floor to keep you proceeding in the correct direction.

Remember to wear a face mask – and practice social distancing of 6 feet between yourself and another voter. This is for YOUR protection.....

Those wishing to vote, but are cautiously apprehensive, please know that we can send you an absentee ballot – BUT the ballot must be returned to our office by Monday, August 10, in order to be counted. Just call the Town Clerk at 672-3655. If you have a fever, have tested positive for Covid-19, are in quarantine or have recently had a close contact with a person with Covid-19, or have other symptoms, please request an absentee ballot.....do not come to the Town Hall to vote for the safety of others.
